

Air Distribution

- Grilles, Registers & Diffusers
- VAV & Fan Powered Boxes
- DOAS Terminal Units
- Operating Room & Critical Environment
- Underfloor air

Air Flow Measurement

- Thermal Dispersion
- Differential Pressure
- Room Pressure Monitoring
- Fan Arrays
- Ducted Systems
- Outside Air Measurement
- Combined Damper & Air Flow Stations
- BACnet & Modbus Options

Chilled Beams & Fan Coil Units

- Horizontal, vertical, console FCUs
- Blower Coils
- Specialty Applications
- Active & Passive Beams
- Heating & Cooling Options
- Recessed & Exposed Models

Custom Air Handling Units

- Factory Built or Knock Down Construction
- No Through Metal Construction
- Complete Thermal Break
- Factory Testing
- Low Leakage & Sound
- Powder Coating & Anti-Microbial Options
- Factory Controls & Piping

Dampers & Louvers

- Control, Isolation & Backdraft
- Smoke & Fire/Smoke - UL Rated
- Thermally Insulated & Low Leakage
- Corrosion Resistant
- Accoustical & Combination Louvers
- Operable & Drainable Options
- AMCA & Miami Dade Rated
- Penthouses

Electric Heat

- Open Coil & Finned Tubular Duct Heaters
- Unit Heaters
- Wall & Ceiling Heaters
- Baseboard & Trench Heaters
- Washdown & Explosion-Proof
- Radiant Heaters
- Standard & SCR Controls

Fans, Blowers & Specialty Exhaust

- Commercial, Industrial & Residential
- Axial, Centrifugal & Mixed Flow
- High Plume
- Perchloric Acid Systems
- Fiberglass & FRP
- Laboratory & Hazardous
- Integrated Energy Recovery
- Spark Resistant & Explosion-Proof
- Roof Ventilators
- Fully Reversible

Gas Detection

- Refrigerant Leak Detection
- Parking Garage CO & NO2 Monitoring
- MRI O2 Monitoring
- Battery Room Monitory
- Toxic & Explosive Gases
- Various Alarm & Integration Options

Humidification

- Direct Steam Injection
- Steam-to- Steam
- Electric
- Gas-Fired, Condensing
- Adiabatic, High Pressure
- Water Treatment Systems

Motors

- General Purpose & HVAC
- High Efficiency
- Inverter Ready
- Bearing Protection Rings

Sound Attenuation

- Silencers & Sound Traps
- Acoustical Louvers
- Enclosure Panels for Field Built AHUs
- Local 28 Construction Available

Specialty Ductwork

- Zero Clearance, Lightweight
- Fire Rated, Non-Welded
- Kitchen Exhaust
- Laboratory & Hazardous Exhaust

Ultraviolet Light Systems

- UVC for Coil Cleaning or Air Disinfection
- Air Purification Systems
- Modeling & Simulation Software
- Validation of Mitigation Rates & Dosage
- Portable UVC Solutions

Variable Frequency Drives

- Fractional through 550 HP
- NEMA 1, 12, 3R, 3RX, 4 & 4X
- Ultra Low Harmonic Type
- Custom Packages
- Starters & Soft Starters
- Motors
